Kathryn Sanders

EDUCATION

Weber State University — A.A.S / B.S. Web and User Experience

AUGUST 2019 - PRESENT

I am currently studying Web Development and UX Design and have completed the associates degree with high honors (4.0 GPA).

Salt Lake Community College — A.S. Computer Science

AUGUST 2017 - AUGUST 2019

I graduated with high honors (4.0 GPA) and was awarded certificates of proficiency in Programming Fundamentals and Web Programming & Development.

University of Utah — B.S. Biology (Cell & Molecular)

AUGUST 2012- MAY 2015

I graduated Cum Laude (3.9 GPA) and was awarded a minor in chemistry.

EMPLOYMENT / VOLUNTEERING

Weber State University, Ogden — Student Intern (Team Lead)

AUGUST 2020 - PRESENT

I am working with a team to create a Hill Airforce Base student resources webpage.

Alpine Marketing Venture, Alpine — Digital Marketing Intern

AUGUST 2020 - PRESENT

I am doing web design, wordpress, SEO, graphic design, and Google Analytics projects.

The Leonardo Museum, Salt Lake City — UX/UI Design Intern

JULY 2020 - SEPTEMBER 2020

I redesigned the museum's home page and other high traffic web pages to be more user friendly.

Teleperformance (eHealth), Ogden — Licensing Coordinator

AUGUST 2019 - NOVEMBER 2019

I coordinated state insurance license and carrier applications for over 150 sales agents. This included organizing and maintaining thousands of records.

SLCC OpenSource Club, SLC — Graphic Designer

AUGUST 2018 - DECEMBER 2018

I designed event flyers and posters for club events.

Ultradent Products Inc, South Jordan — Analytical Chemist

JUNE 2015 - JULY 2017

I performed quality control testing of raw materials and manufactured products, requiring attention to detail, consistency, and problem solving skills.

OBJECTIVE

I am seeking an internship or entry level position in UX Design, Digital Marketing, or Front End Development.

Black Ocean Books - researcher/designer/developer

I am designing and building a website for the publishing company Black Ocean Book. I created a wireframe and mockup. I also conducted user testing to make the Books page user friendly on mobile. I am building the website using Vue.js and Bulma.

About: http://kathrynesanders.com/blackOcean.html
Project: https://www.blackoceanbooks.com/

The Leonardo Museum - designer

I redesigned some high traffic pages to improve usability, accessibility, and SEO. I audited content, simplified page layouts, standardized section headings, added alt attributes to images, added titles and meta descriptions to each page, increased the contrast between text and background, and improved mobile responsiveness. I also created a style guide that will be used to update the rest of the website.

*The website appears to be under construction currently and some features may not display fully

Project: (Home, Pompeii Exhibit, Virtual Gala, Leo at Home, Virtual Field Trips, Leo on Wheels)
